

**BEING KIND CAN GO A LONG WAY.** But many times, it's not recognized as it should be. Now in its 28th year, the Kindest Kansas Citian was created to do just that. It's not only our longest running event, it's also the biggest with over 400 attendees.

This year, our three keynote honorees — or as we call them, Honorary Stars — are Christy and Bill Gautreaux, and Anita Gorman. We're also excited to move the event to the landmark Kansas City Zoo, where guests will have an exclusive opportunity to view animals after hours, while enjoying drinks and a delicious dinner.

As part of the event, we also recognize 20 Kindest Kansas Citians nominated by students, ranging from kindergarteners to seniors in high school. Out of the 5,000 essays submitted, volunteers read through each and every one, narrowing it down to 20 finalists. Then at the event, these 20 students read a small part of their essay about their "Kindest Kansas Citian."

You'll laugh, you'll cry and you'll help spread kindness in our community by funding our STOP Violence program, which provides anti-bullying programming in Kansas City metro area schools.
